

REGISTRATION PROCESS SEASON 2017-2018

Each club will receive the following

1. A Player Registration Document sheet (WGSP1) upon which the following needs to be inserted in relation to each player registered with your club to play in our League

Last Name

First Name

Date of Birth

Previous Club or your own club if they were registered with you during the previous season

This form must be signed and dated by the player

2. A sheet giving further details in relation to this document
3. A copy of a form to be used to sign players on “on the day” (WGSP2)
4. A copy of the F.A. Respect Code of Conduct, a copy of which must be read by each registered player before signing the Player Registration Document.

A copy of each fully completed Player Registration Document must be sent to the League Registration Secretary either by e-mail or post **as soon as it is completed**.

Note

A player is not accepted as being registered by the League and may not play for your club until your club has been notified via the WGS that his registration has been accepted. **Any player who plays for your club before this notification of acceptance has been received by your club, will be regarded as an ineligible player.**

SIGNING PLAYERS ON THE DAY

Any player whose details have not been registered on the WGS by 17:30 on the day before a match, can only play if he has completed a Signed On The Day Form.

Such a player must have signed a Signed On The Day Form in ink prior to playing. This form must be countersigned by an Officer of the Club and witnessed by an Officer of the opposing Club, and submitted to the Competition within two days of the match.

When a player is Signed On The Day, that player may not play again for your club until such time as your club have registered the player on the WGS, and your club has been notified via the WGS that his registration has been accepted. Result/Stats on Full Time cannot be entered for a match until the players registration has been accepted on WGS. **Any player who plays for your club again before this notification of acceptance has been received by your club, will be regarded as an ineligible player.**

A player signed on the day also has to sign the Player Registration Document before he can play again.

A maximum of two players may be Signed On The Day.

UNDER 21 TEAM PLAYERS

When allocating players to teams within the WGS, any player born before 31 August 1992 is eligible to play for an Under 21 team. However the contents of League Rule 8 (B) iii apply with regard to players who are over 21 years of age as at midnight on 31 August in the Playing season.
